Best-selling Author • Speaker • Christmas Spirit Specialist • Workshop Leader • “CAROL BOSS”

“If you love Christmas carols, you are going to love this book even more. In her attempt to restore the faith that she had temporarily lost, Renae Baker takes us on her very personal journey of discovering the power of Christmas carols to revive your spirit all year long and not just at Christmas. In her attempt to really understand the essence of the lyrics of each carol she uncovers some amazing insights about the meaning of the words, the fascinating stories about the writing of the carols, and the stories of the miraculous effects the carols have created throughout history. This book is definitely chicken soup for my soul, and I know it will be for yours too.”
